## ABOUT US

Bharatheeya Vidya Vihar School is a project of Indian Institute of Scientific Heritage (IISH), a charitable trust, totally dedicated to the cause of learning, teaching and propogating the rich Indian Heritage all over the world. BVV aims at developing younger generations into dynamic citizens of tomorrow who will have faith in human values and concern for their brethren. The school was established in 2006 in National Heritage centre (NHC) at Mazhuvanchery in Thrissur Dist. Our school is located in an area very much ideal for educational institution and is affiliated to CBSE. Aff No. 931072

The four storied school building has Swamy Vivekananda Block, Dr. C.V. Raman Block, Dr. A.P.J. Abdul Kalam Block, G.V. Eswarji Block and Lord Krishna Auditorium on roof top.

The School has a computer centre, small and large auditoriums, conference hall, Digital class rooms, well equipped laboratories and library with spacious reading room. Integrated audio connectivity is available in all class rooms for delivering lectures and giving messages from anywhere in the world.

At BVV children are exposed to many heritage materials arranged in different area at NHC. Value based knowledge and modern knowledge are integrated in the BVV education system. Vedic, Puranic and dharmic messages, stories and experiences are taught to the children here. Audio and Video based heritage and modern subjects education is a speciality of BVV.

In addition to the CBSE Curriculum Music, Dance, Yoga, Karatte, Kalaripayattu, Mruthangam and other traditional games are taught in BVV. Children from VI to X std have the freedom to opt for any subject of their choice from this list.

## FACILITIES WE PROVIDE

### Infrastructure

BVV has all the necessary infrastructure to cater to the needs of the children. We have 27 spacious class rooms, three big staff rooms, a sick room, separate cabins for the Manager, Principal and Vice Principal and an office room with enough storage facilities.

### Faculty

We have 32 competent and well qualified teachers on our roll with required number of non teaching and supporting staff.

### Library

Our library has variety of books ranging from children's literature to reference books. Reading room can accommodate sixty persons at a time with a special section for Teaching Staff.

### Smart Classes

At present we provide Ten smart classes. Digital class rooms provide concrete experiences and practical approach to the changing trends in the realm of Education. Our teachers are well trained to make use of digital classes.

### Bhaskara Computer Centre

BVV can be proud of its Bhaskara Computer Centre with 40 Computer Units. Information technology and its fast pace has prompted us to keep our children abreast with the modern trends and changing technology. Coding, Pythen, Robotics & Artificial Intelligence are also part of our computer studies.

### E-Communication to Parents

We have introduced web based software application 'Hello' in our school for communication to parents by way of SMS to their mobile. System facilitates easy contact between parents and school authorities.

### Composite Science Lab & Maths Lab

The School has well equipped science lab with Biology, Physics and Chemistry section. Our Maths Lab is also fully equipped with required scientific devices.

### Kids Play Zone

Different play equipments are kept ready for kids. Our KG classrooms are well decorated with colourfull paintings based on different themes.

### Art & Craft

Art and Craft work are given due importance which gives every child ample opportunity to develop one's creative faculty. It helps to improve one's concentration and dexterity.

### Fine Arts

Classical dance, Classical Music, Yoga, Mridangam, Karatte, Kalaripayattu, are taught by a team of talented and experienced teachers.

### Physical Education

As we are aiming at the holistic development of our children we give equal importance to academics and sports & games activities. We promote indoor and outdoor games like Football, Volley Ball, Cricket, Throw Ball, Shuttle, Chess and Caroms.

### Admissions

We allow parents to register the names and other details of their wards seeking admission to LKG & STD classes in the month of October followed by interview and admission. Lateral entry to higher classes up to IX std is also entertained by the end of August subject to the availability of seats.

### Transportation Facility

The school provides transportation facility within a radius of 15 kms in various directions using ten Vehicles. Proper attention is given for the safety and security of our children in the Vehicles.

### Spiritual Centre

We Have a spiritual centre in the campus open to all irrespective of caste, religion and community.

### CC TV Camera

BVV Main building is well equipped with 16 CC TV Cameras

### Canteen Facility

Annakshethra attached to MMT - is working in our campus from 8.30am to 4.30pm catering to the needs of devotees, staff & children of BVV and other needy persons in the campus. Only vegetarian food is served and we follow self service system here.

### Study Tour & Pleasure Trips

KG, LP, UP and HS children are taken for study tour to get them acquainted with the fast developments in and out of our state. Pleasure trips give them opportunity for enjoyments and recreation.

### Parents Meet

We conduct parents meet twice a year seeking their opinions, suggestions and innovative ideas. Doors are open for effective and better interaction between school authorities and parents.

We hope our education system would help to bring out the best in the individuals, develop patriotic vision and nationalistic mission in them.

We strive for the all round development of the children fully equipping them to meet the challenges of the modern life.

### ISO 9001-2008

Our school has been accredited with ISO 9001 - 2008. We hope with confidence that we can march towards excellence.

### Scholarships

Eligible children are awarded scholarships. Information regarding various scholarships and endowments will be made available to the children on time. Generally we provide the following

IISH Scholarship

NHC Scholarship

Benglavil Kuttan Menon Scholarship

Cherukunnathu Rugmini Amma Scholarship

Staff Welfare Fund Scholarship

Hareesh V.H. Memorial Endowment

### Fee Structure

Though the facilities we provide are comparatively better taking in to account the financial condition and the affordability of the majority of parents we keep a low fee structure. Fees can be paid in 4 installments. Fee structure will be revised in every two years.
